10

Employees' safety first! 🤒

At Quixy, it's always employees first. To address the COVID-19 situation, we set up a task force, revised our leave and insurance policy, conducted vaccination drives and continued working in hybrid model based on employees' preference.

A reward for both you and your friend 🎁

We created this referral program so that you and your friend both can reap the benefits of no-code. If you know someone who can benefit from Quixy, tell us about them and win rewards

And it's a wrap!

Consider this email as the last communication from us to you for this year. Even though we'll miss you, we want you to enjoy the holidays!

Happy Holidays and a Very Happy New Year to you and your family from the Quixy family 🥳
